Re: Genwal South Crandall Tract

Dear Mr. Dykman:

GENWAL RESOURCES INC. has applied for a mining permit on a tract of land adjacent to its Crandall Canyon Mine. I talked to you in late June about a survey of the area, the South Crandall Tract. The Division of Oil, Gas and Mining has said that they will be in contact with you about a cultural resources survey of the area. In order to help expedite your review for DOGM, I am enclosing the outline of the tract (Federal Lease UTU-78953) on the Rilda Canyon USGS quadrangle topographical map.

Call me at 435-564-4015 if you have any questions.

Sincerely

Gary E. Gray
Engineer
